

## Remanufactured Medical Equipment, Beds and Furnishings

Commonwealth of Massachusetts contract HSP04

Contact: Lara Sutherland, Lara.Sutherland@state.ma.us, 617-626-1091.

The RFR language specifies:

It is desirable vendors also provide the Commonwealth with options to purchase Medical Equipment, Beds & Furnishing that have been repaired and/or remanufactured. To be eligible for value added points under this desirable, a vendor must provide information on performance specifications and warranties for such equipment.

Vendors must also identify the types of equipment available as repaired and/or remanufactured and the proposed pricing structured for such items(s). In addition, vendors are encouraged to provide information regarding any existing programs available to any hospital(s) and medical institution(s) which provides for a refund or credit for the return of used beds and/or other equipment.

Many vendors on this contract do supply remanufactured equipment. For full bid specifications and contract vendor information, go to HSP04 on Comm-PASS.
